**S** Spring is in the air and as we look forward to longer days and soaring temperatures, plans are well under way at Bawtry Retail Association (BRA) for this year's Bawtry Fashion Week, which will take place between 18 and 24 March.

Bawtry is home to some of the leading fashion labels and boutiques that boast the most enviable achievements, with Yasmine of Bawtry being established since 1974, Robinsons of Bawtry over 30 years and Incognito celebrating 20 years in business! Our fashion week is set to be packed with events, offers and opportunities to enjoy every aspect of fashion.

Looking ahead we are in discussions with Doncaster Racecourse with regards to the annual Visit Bawtry Race Meeting on Saturday 27 April which has always been a fantastic social event and this year will be its ninth year.

Congratulations to Victoria Jarvie and Amy Sallabank who have set up the Bawtry Polo Club at Misson and are having a polo-themed cocktail launch party on 2 March at Bawtry Hall. The club is keen to become a family-friendly venue and to foster mutually beneficial relationships with other businesses and

contribute to the Bawtry experience. A date has also been scheduled for this year's Visit Bawtry Polo Cup so keep Sunday 14 July clear.

Last year's Bawtry Christmas event was the largest attended event with over 3,000 people – plans are already underway for this year's event which will take place on 24 November.

Yorkshire Caravans of Bawtry is proud to announce its eighth annual Yorkshire Caravan Show which will run from 9 to 17 March including savings and deals across the full range of new and pre-owned caravans plus a host of product demonstrations from industry leading professionals.

Other noteworthy events include a Big Community Event – fun for all the family at Bawtry's Big Easter Hunt & Fayre at Bawtry MSG on Saturday 6 April; and it's a Happy Wedding Day to Eastside publishing manager Terri Moore (soon to be Terri Holt) who gets married on 28 March in Austria.

As you can see we've got lots on as we all work together to make Bawtry even better and more brilliant. We look forward to your ongoing support and welcoming you to our businesses – and don't forget to spoil your mum's on

Mother's Day on Sunday 31 March.

# Fresh approach

THE POLO CLUB AT MISSON SPRINGS HAS NEW OWNERS, A NEW NAME AND A NEW OUTLOOK.

**T**he name remains the same and so does the venue, but it's all change and a completely fresh start at Bawtry Polo Club (BPC). There is a new team in charge and a completely fresh approach, with the aim to attract more local interest in this exciting, fast-paced sport.

BPC is a polo and events venue in Misson Springs, on the outskirts of Bawtry. They offer polo lessons, livery and a vibrant, family-friendly social scene, making it an ideal backdrop for polo tournaments throughout the Spring/Summer season.

Following the closure of the previous club last year, BPC have opened a new club in the same location, with new people, new ponies and an entirely new ethos.

Plans for BPC include having a high standard of horse care, and welcoming clients into the polo family. Polo is an exciting sport with an equally enjoyable social scene off the pitch but the new custodians of the sport in South Yorkshire are determined nobody should feel excluded.

"We want as much of a 'coffee and cake' culture as we do a 'Pimms and Party' scene," they say.

This is a completely fresh start for BPC with no connection between the new team in charge and the previous clubs. The club is being run by Amy Sallabank and Victoria Jarvie, who formed a friendship through polo several years ago.

Amy has played and worked in polo all over the world and is an ambitious and capable player. Her ample experience running polo yards make her the ideal person to take up the mantle of BPC's polo and yard manager.

Victoria has ridden all her life, including working with horses, but will

be utilising her background in marketing to establish a desirable and trustworthy BPC brand, liaising with sponsors and ensuring the smooth running of events.

Marquee events for 2019 include Visit Bawtry Polo Day (14 July) and a Ladies' Tournament (24-25 August) with various other events planned. More details will be available nearer the time.

If anyone wants to get involved, come along to one of the events or book a lesson or get in touch via the Facebook page (Bawtry Polo Club), Instagram (BawtryPoloClub) or website ([www.BawtryPoloClub.co.uk](http://www.BawtryPoloClub.co.uk)).

ANOTHER AMAZING FASHION WEEK PLANNED IN YORKSHIRE TOWN THIS SPRING.

**W**hat do London, Paris, Milan and Bawtry all have in common? Their fashion weeks of course! And this year, the annual Bawtry Fashion Week, hosted by Bawtry Retail Association (BRA), is packed full of events, offers and showcases as the towns independent businesses support the popular initiative.

Launched in 2013 by the BRA, the aim of the event is to promote the importance of shopping on the local high street and supporting the local economy, whilst also highlighting the array of top fashion brands available in the town. This year's event will take place between **Monday 18 and Sunday 24 March** and a glittering schedule is beginning to emerge as to what visitors during that time can enjoy.

"Bawtry is a real mecca for people who love fashion and enjoy the shopping

and social scene that is associated with it," commented Ross Jarvie, chair of Bawtry Retail Association. "Our annual fashion week gives all our retailers, not just those associated with fashion, the opportunity to work together and create a fantastic event that attracts visitors to the town from miles around. And with a choice of over 20 stylish bars and fantastic individual restaurants you are sure to enjoy a sublime shopping experience in Bawtry."

Ross concluded: "Already a glittering programme has been confirmed and we look forward to even more businesses supporting this amazing week which has become such an integral part of Bawtry Retail Association and the town."

# Make Mother's Day extra special

BAWTRY HALL IS THE PERFECT PLACE TO TREAT YOUR MUM THIS MOTHER'S DAY. AND THERE ARE SOME GREAT EVENTS COMING UP TOO...

**B**y now, it's likely you've heard about the beautiful weddings that take place at Bawtry Hall. Unique and luxurious, the opulent features and stunning outdoor gardens make the Grade II listed building the perfect place to walk down the aisle.

Though probably most well-known for hosting happy couples on their big day, it's not only weddings that can be held at Bawtry Hall.

The venue, which is set in five acres of stunning grounds, can also offer exclusive use of the house for special occasions, including birthday parties, anniversaries, engagement parties, black tie balls, charity dinners, christenings and proms.

The experienced team at Bawtry Hall can help you put together the party of your dreams, whether you're looking for a big black tie do or more of a casual house party on a larger scale.

If you're not looking to plan your own event any time soon, but you've found yourself wanting to head inside Bawtry Hall's grand gates, you're in luck as they've got events planned throughout the spring and summer to keep you, your friends and your family entertained.

## Mother's Day Lunch

Every year it seems to creep up without warning, and we're all left in a panic wondering what to get for the woman who's given us everything. Flowers and chocolates seem overdone, and there's only so many times you risk her healthy by attempting to whip up a substandard breakfast in bed.

This year, Bawtry Hall have got you covered.

Whether you're wanting some one on one time with mum, or you want to make Mother's Day a full family affair, Bawtry Hall's Mother's Day Lunch is the perfect opportunity for you to celebrate the most important lady in your life.

Arrive at Bawtry Hall for 1pm, where you'll be greeted with a Kir Royale and smoked salmon blinis, as well as the beautiful voice of award-winning vocalist Jessica Mary Brett.

Lunch service will begin at 1.30pm, with plenty of choices available within the five-course menu. From traditional Sunday lunch staples such as homemade Yorkshire puddings and roast sirloin of beef to deliciously tempting alternatives like smoked salmon and prawn timbale and chicken supreme, there's something for everyone.

As well as the five-course lunch, there's a gift for mum included in the price of £50 per person, or £25 for under 12s.

There's just a £10 deposit per person, with the full balance to be paid and menu pre-orders confirmed by 1 March, so if you're wanting to give your mum a Mother's Day to remember this year, don't leave planning until the last minute, just book now and let Bawtry Hall take care of the rest.

# Bawtry Hall set to sparkle

L-R: Organisers of last year's event, Katey of Bawtry Hall, Kim of DB4C and Sarah Mullen of Equinox

DONCASTER BUSINESS COMMUNITY READY TO SHINE AT THE DIAMOND BALL.

**D**oncaster's business community will once more be dressed to the nines and ready to party at the second Doncaster Business for the Community Annual Ball, which will again be held in the magnificent surroundings of Bawtry Hall on 28 September.

The theme this year will be "Diamonds" and DB4C are predicting that the jewels of Doncaster's business community will be polished and ready to dazzle at the event.

Last year's inaugural event, "The Crystal Ball", saw 200 guests in attendance raising £4,000 for Equinox supporting Cancer Research UK and Firefly Cancer Awareness and Support and was a sell out within days of going live. It is anticipated that this year's event will do the same, with many of last year's guests already expressing their wish to attend, so places will be limited.

The ball is the flagship event of Doncaster Business for the Community, the ground-breaking and highly innovative charitable trust run entirely by the town's business community which raises much needed funds for local charities and community projects. The charity is delighted to again be working

in partnership with Equinox and Firefly to raise funds to support the excellent work they do in supporting those affected by cancer.

Guests will once more be greeted with a champagne reception and entertained with live music whilst they dine, followed by a lively series of fundraising activities and opportunities to win some outstanding prizes. Guests will then be treated to a stunning fireworks display in the grounds of Bawtry Hall followed by dancing to live music and a disco into the early hours.

Time for Diamonds of Bawtry will be an event sponsor and the lucky guests will have the chance to win a £2,000 solitaire diamond pendant.

DB4C director Nigel Tomlinson said: "DB4C is now well into its second year

of operations with an ever growing number of events and supporters. The Annual DB4C Ball is no different and is already firmly established in the social calendar. DB4C has achieved so much since its inception, proving that the town's businesses have a huge heart and care deeply about the community and its well-being."

Sarah Mullen added: "For Equinox to be asked to be the representative of our charities at the Diamond Ball is a huge privilege. Both Cancer Research and Firefly rely on donations and charity fundraising to operate and both play such a huge part in the diagnosis, prevention and treatment of cancer both nationally and locally. The Doncaster business community have taken Equinox to their hearts and with the money raised at this year's Ball we hope to have a record fundraising year."

To book a table please contact Kim at DB4C on 01302 965555 or email [kim.tomlinson@hotmail.co.uk](mailto:kim.tomlinson@hotmail.co.uk).
